

# DAB Mehrstufige Kreiselpumpe Edelstahl DN50 DIN Flansch 5.6A 400VAC Typ NKV 20/3S T (7043205)

# TECHNISCHE DATEN

Werkstoff                      Edelstahl

Anschluss                     DIN Flansch

Typ                              NKV 20/3S T

Leistung                      4 PS

Maß                             DN50

Spannung                     400VAC

Leistung                      3 kW

Ampere                        5.6 A

# ABMESSUNGEN

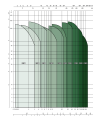

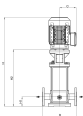

C                                145 mm

D                                300 mm

H                                775 mm

H-1                             90 mm

H-2                             469 mm
